

Sanborn Central School District

After School & Tutoring Information

If you are interested in our Tutoring Program or After School Program – here is some information. If you have any questions please don't hesitate to contact us.

Tutoring will be held on Tuesday & Thursday from 3:45-5:15 at the cost of a mere \$2.50/a session. The purpose of our tutoring program is to assist with homework and subject matter. We will not hold tutoring on days that school is dismissed early.

The After School Program will be held from 3:15-5:30. There will be no program on days that school is cancelled or has an early dismissal. The cost will be \$2.50/a session, with a late fee of \$1.00 per minute for every minute beyond 5:30. As we staff on an as needed basis, we would appreciate being notified by noon, if you are planning on having your child stay as a drop in.

Billing for both programs will be included with your lunch bill. Non-payment by due date will result in your child being excluded from the program.

Please complete the section below to register your child for either program:
