**Mission:** Our mission at the Sanborn Central School District is to educate all students; to be knowledgeable self-directed learners, effective communicators, and creative thinkers; and to motivate students; to fulfill their personal lives; and to contribute responsibly to society.

**Vision:** Students, staff, parents, and community members will work cooperatively to create an environment where all students feel confident and competent to achieve high academic standards; in a safe, nurturing and respectful environment.

As of July 1, 2004, the former Artesian-Letcher School District became the Sanborn Central School District. The staff and students moved into a new K-12 facility located in Forestburg, SD

Parent Action Team, Rebel Booster Club

The Sanborn Central School District earned DISTINGUISHED status in 2006/2007. Distinguished status is received when students meet "Adequate Yearly Progress" (AYP) according to the No Child Left Behind Act. This means students scored proficient or advanced in both reading and math on the DakotaSTEP.
