Melcolm Larson

Prairie View Care Center would like to congratulate Melcolm Larson for being named January Resident of the Month. Melcolm has been part of our family since December 2005.

Melcolm has been a member of this community for many years. He spent his career as a farmer raising sheep, hogs, and dairy cows. He also raised watermelons. Right at his side thru the years was his devoted wife, Elsie. Elsie passed away last April and is missed every day. Together, Melcolm and Elsie raised three children and have been blessed with many grandchildren and great-grandchildren.

Some of Melcolm's favorites include the color blue, the Larson family reunions and spending time with Elsie. His favorite meal is hamburger, mashed potatoes, and pork and beans with one of Elsie's desserts.

When Melcolm wasn't farming or at home you could find him participating in his favorite hobbies such as fishing, playing cards, or just visiting with friends in town on Saturday nights. Congratulations, Melcolm!

Recognizing our Finest

Todd Peterson is our Employee of the Month. Todd has worked at PVCC for approximately 9 months as our dietary manager and has made every meal a "dining experience". Todd lists learning all the different diets as the highlight of his time here. In his spare time, he loves to restore country homes, raise chickens and pheasants, and calls himself an avid gardener. We are glad to have Todd as a member of our team. All of us, staff as well as residents, really appreciate his efforts. Todd is pictured with some of his delicious cookies. Congratulations, Todd!
