## Nursing Home Week Highlights

We had such a wonderful time this year during Nursing Home Week that we've decided to include an extra page to share the fun. Here are pictures of Pet Day and our Balloon Release.

## Barbara "Babe" Dooley

Prairie View Care Center would like to recognize Barbara Dooley as our Resident-In-The-Spotlight. Mrs. Dooley is well known throughout the community for her many years of work at the local café. She was a wonderful waitress!

Babe spends her days at the PVCC keeping very busy. Between the loads of towels she volunteers to fold, she plays cards, dominoes, or participate in whatever activity we are having.

Some of Babe's favorites include the color blue and good weather. When it comes to favorite meals, Babe is the classic farm girl with the meat and potatoes, bread, coffee, and dessert. Congratulations Babe! We are proud to have you as a part of our family.

# The Giving Tree

The Giving Tree continues to grow. The solarium has been painted, and Randy continues to paint the hallways and rooms. A big thanks to the PVCC Auxilliary for donating one more bedside stand, which brings us to half of our goal. We thank the family of Gloria Klepper for donating one of her paintings. Also, a heartfelt thank you to the following people for the special treats during Nursing Home Week...Craig Godfrey, Omincare of South Dakota, and Avera Home Health. Thank you so much for your continued support to make Prairie View Care Center the best that it can be!

**Wish List**... Music Videos/DVD's for residents, flower box, dressers, and a High-Low bed
