## Resident-In-The-Spotlight

Ethel Maxine Hostler, formerly of the Letcher area, has been named our September Resident-In-The-Spotlight. Maxine joined our family in November 2006.

Throughout the years, Maxine worked as a housewife and teacher. One of her favorite memories were teaching the Native American children on the Pine Ridge Reservation. Her other favorite memory was getting together with family for holidays. Maxine was always in charge of bringing her homemade buns.

Maxine and her husband raised three beautiful children. Their son Larry lives in the Mount Vernon area, and their daughters, Jean and Betty, live in Minnesota and the Letcher area.

Some of Maxine's favorites include the color purple, playing the piano and embroidering. Her favorite meal was carrots and potatoes in a roaster with a roast beef. For dessert, she enjoyed pecan pie with ice cream.

Congratulations Maxine! We are glad to have you as part of our family.
