News from the Dining Room!

In the Dietary Department, we are going to try something new. We will be having traditional family dining. Bowls and platters will be filled and on the table for residents to serve themselves at their tables.

Prairie View Care Center is also starting a Food Council which will meet monthly. This group will meet to give ideas on different types of menus that they would like to have served here at the center.

---Heidi Dorsey, Dietary Manager

Gerald Thompson

We honored Gerald Thompson as our resident of the month. He was born in November of 1920. Gerald served in the US Army and was employed with the Armour Meatpacking Plant. Gerald and his wife, Ruth were married for 37 years. He has one son in Japan and a daughter in Sioux Falls and 6 grandchildren. Some of his favorite things include: woodworking, eating pizza, and the color red. Gerald's favorite memory is being discharged from the Army so that could return home to his family. Congratulations, Gerald!!
