

SPOUSES PROGRAM:

The Dacotah Prairie
Traveling Museum/Wool
Production from Start to
Finish

Dacotah Prairie Museum Traveling Exhibit

This exhibit will take a close look at Brown County towns, their history, how they got their names, some pictures of each and highlight the County Court House. We will look at the historic battle for the County Seat in Brown County. Included will be maps of the townships and some fun with the first roads in Brown County.

Wool - Fleece to Finished Product

A hands-on demonstration on wool production from beginning to end. Demonstration includes drop spindle, hand carding, dyeing, and the production of different products. Try your hand at carding or the spinning wheel!

ROAD SHOW AGENDA (Tentative)

****Culvert Installation -** What does and doesn't work - do it right the first time.

****Drainage Issues—**Roadway and ditch drainage, tiling into ditches.

****Managing Minimum Maintenance Roads -** Is “no maintenance” an option? When should roads be closed? Is it a good decision to vacate the R-O-W?

****Traffic Signs -** Routine placement and maintenance, review of new retroreflectivity standards.

****Road Repair After Flooding -** Avoid the “band aid” approach, if possible. What are the solutions?

****Permitting and Load Posting -** What does SD statute allow? Permitting special hauls. Facing the reality of current traffic demands, educating road users.
