

**NEW SPEED LIMIT POSTING
NOTIFICATION FORM**

FROM _____
Name of Township

DATE:

TO: _____ County Commission Office

(Address)

FROM: Alfred E. Newman, Chairman- Acme Township
1404 Wyle E. Coyote Drive, Farmington, SD 57999

**SUBJECT: New Speed Limit Posting Notification of _____ mph
On _____**

The purpose of this notification is to notify _____ County of a change in speed zones on a township road as required by SDCL 32-25-9.2. _____ Township is hereby informing the _____ County Board of Commissioners that a new speed limit reduction zone is being installed at the subject location and speed. The new signs shall be in effect on _____(date). A map/sketch showing the subject area is attached which shows the beginning and ending of the new speed zone.

We feel this new speed reduction zone is in the best interest of the public and is warranted for the following reasons:

(Include any Known Facts)

85th Percentile Speed = _____

50th Percentile Speed = _____ AADT= _____

Number of Crashes in Last 5 Years = _____

Number of Serious Injury/Fatalities in last 5 Years = _____ Number
of Accesses in _____ feet/miles = _____

Parking Practices and pedestrian activity

Adverse Alignment (horizontal and/or Vertical Site Distance Issues) Site

Distance at _____

Shoulder slopes are _____ : 1

The free online program, USLIMITS2, from the FHWA website found at <http://safety.fhwa.dot.gov/uslimits/> was used in determining the appropriate speed limit and the output of that analysis is attached.

Special considerations not included within the USLIMITS2 analysis include (describe such as proximity to new schools, grain facilities, high volume of truck traffic due to dairy, etc.)

Section 28.13 of the MUTCD further supports this posting as per (insert appropriate guidance from MUTCD) which states (insert supporting text).
