Spring #1

LEGISLATIVE NOTES

87th Legislative Session

By Richard Howard

The 2012 Legislative session began on January 10, 2012, with the Governor's State of the State Address. The Legislative process became compacted when the Legislature took off the days of January 17 and January 18 in honor of Governor Janklow's services. This resulted in the Session calendar being shortened from 35 days to 33 days.

As of today 469 bills have been introduced: 274 House Bills and 195 Senate Bills. January 26 was the final day to introduce individual bills and January 30 is the final day to introduce committee bills, so it is not expected that many more bills will be introduced.

The following three (3) SDATAT bills were introduced during the week:

SB 95 – An Act to modify distributions from the Wind Energy Tax Fund (Scheduled for a hearing in the Senate Taxation Committee on February 8).

SB 102 – An Act to clarify the procedures for the apportionment of funds among townships (This bill would define a township's miles of maintained roads to include both full maintenance and minimum maintenance of roads for apportionment of license plate fees. (Scheduled for a hearing in the Senate Local Government Committee on January 30).

SB 116 – An Act to revise certain provisions relating to the township road system. (This bill defines the township road system. Scheduled for a hearing in the Senate Transportation Committee on February 8)

ACTION REQUESTED: Resolutions of support for the SDATAT bills were passed by the Association membership at the SDATAT Annual Conference; therefore, you are encouraged to contact your Legislators and ask them to support our bills in Committee and on the floor in advance.

Another bill which would directly affect townships is:

SB 101 – An Act to authorize counties and townships to borrow money using promissory notes. (The Board could not reach a consensus on supporting this bill, so the intent is to amend townships out of the bill. (Scheduled for hearing in the Senate Local Government Committee on January 30).

It is expected that action will move quickly during upcoming weeks. If you have questions or comments on any legislation, please feel free to contact the SDATAT Office at (605)- 353- 1439 or Dick Howard at (605)- 222-7700.

In addition to contacting your Legislators when they are at home, you may contact them in Pierre by e-mail, telephone, or letter. Addresses of phone numbers are provided on page 4.

Other bills of interest to SDATAT that were introduced include:

HOUSE BILLS:

HB 1003: An Act to revise the limitation on the increases and decreases that may be made to the total taxable value of cropland and non-cropland.(Scheduled for Hearing on 1/31/12)
