A NOTE FROM YOUR PRESIDENT

As the seasons have now changed and the snow is starting to fly it is once again time to start planning our trip to Rapid City for the Weed and Pest Annual Conference. The conference will be held in Rapid City this year February 22-24, 2012. Be sure to mark your calendars and get your registrations in early. Don't forget, in order to qualify for the grants you need to send at least 1 person to receive half the money and 2 to receive the full grant money. Be sure that you bring your board members to the conference to help them better understand the problems that are associated with weed and pest control throughout the state. I know that I have learned a lot about the problems that different parts of the state face from attending these conferences. So remember sign up early for a discount and be sure to bring your board members along. It is well worth it for them and for your county.

Until February, Donovan Carpenter
